

# voices in tune choir combines talents

**W**ith a perfect blend of rhythm and harmony, the choir performed astoundingly at every chance given. Synchronized tones belted out by sopranos and basses resulted in a melodic experience for anyone who bared witness. These students devoted many hours out of their week to come together and create music to express their passion for the arts. It was obvious to any listeners that members of the choir put their hearts and souls into every piece they brought to life, and this ardent drive allowed the students to unite as one through song.

The annual Fall Choir Concert contained gorgeous melodies such as "Our Father," "Hymn of Praise," "Sing and be not Silent," and "The Majesty and Glory of Your Name." It was these and many more songs that inspired the hearts of listeners and left them begging for more. The Christmas Show was a delightful experience for all who attended, and Joe Elliott joyfully conducted "Christmas...In about Three Minutes," a Christmas medley consisting of classic favorite holiday tunes. A beautiful chorus cohered together not only in song but in strength and energy, and the choir members were always committed to performing the best show for all their audiences.
